_____ will be hosting a one day VISION OF HOPE clinic, so that in need can have their vision checked and obtain eyeglasses, at NO COST.

Donna Hatch, Licensed Dispensing Optician for Central Washington Optical, is a Board member of the VISION OF HOPE Foundation for the Opticians Association of America, and she brought the idea of this one day clinic to the doctors at _____, after participating in one last Spring. They immediately agreed to do it .

_____ will be only the 2nd community in the US to host this free clinic, with the help of Vendors, Europa _____

This is a potentially life-changing opportunity to get the vision correction that is truly needed. One important note is that these are vision only screenings and not for medical care.

APOINTEMENTS ARE REQUIRED, and only the first 200 people making appointments can be seen. If you or someone you know and care about is needing glasses and has no coverage, please share this information with them
